Attorneys for Plaintiff and the Proposed Class

**IN THE UNITED STATES DISTRICT COURT
FOR THE EASTERN DISTRICT OF PENNSYLVANIA**

JOSEPH O'REILLY, *individually and on
behalf of others similarly situated,*

Plaintiff,

v.

CITY OF PHILADELPHIA,

Defendant.

Civil Action No.

**CLASS/COLLECTIVE ACTION
COMPLAINT**

JURY TRIAL DEMANDED

INTRODUCTION

1. Plaintiff Joseph O'Reilly ("Plaintiff"), individually and on behalf of others similarly situated, brings this class and collective action lawsuit against Defendant, the City of Philadelphia ("Defendant"), seeking all available relief under the Fair Labor Standards Act ("FLSA"), 29 U.S.C. §§ 201, *et seq.*, the Pennsylvania Minimum Wage Act of 1968 ("PMWA"), 42 P.S. §§ 333.101, *et seq.*, the Pennsylvania Wage Payment and Collection Law ("WPCL"), 43 P.S. § 260.1, *et seq.* and Pennsylvania common law.
2. Plaintiff's claims are asserted as a collective action under 29 U.S.C. § 216(b), while their Pennsylvania state law claims are asserted as a statewide class action under Federal Rule of Civil Procedure 23. See Knepper v. Rite Aid Corp., 675 F.3d 249 (3d Cir. 2012) (FLSA collective and Rule 23 class claims may proceed together).

NATURE OF THE ACTION

3. Plaintiff brings this Complaint on behalf of himself and all others similarly situated, contending that Defendant has improperly failed to pay overtime compensation to City of Philadelphia K9 officers for the at home care and training provided to their police dogs (“K9 Partners”) pursuant to the FLSA, PMWA, WPCL and Pennsylvania common law.
4. Plaintiff is a current City of Philadelphia police officer in the K9 unit, as are his similarly situated colleagues. Plaintiff, as well as their similarly situated colleagues, reside with their K9 Partners. On a daily basis, K9 officers are expected to walk and exercise their K9 Partners several times per day, feed their K9 Partners twice per day, groom, train, arrange veterinary care and ensure that the home and property are secure and that their K9 Partners cannot escape, amongst other tasks. Depending on the temperament of the K9 Partner, officers need to ensure that the K9 Partner is compatible with other human and animal residents of the home and take means to secure the K9 Partner when they are not home with them. Because the K9 Partners reside with their assigned officer, the care for the K9 Partner occurs every day- before and after an officer’s shift, on days that the officer is not working and on holidays. It is well settled law that K9 officers are entitled to overtime pay for caring for the K9 Partners (and, upon information and belief, Defendant does pay overtime to K9 officers who work with the Sherriff’s Department). Defendant has failed to pay proper overtime compensation to City of Philadelphia K9 officers despite the issue having been raised through internal complaints, grievances, and references to both the Sherriff’s Department K9 officers and Philadelphia Airport K9 officers.
5. Plaintiff brings this action to recover unpaid overtime compensation, liquidated damages, unlawfully withheld wages, statutory penalties and damages owed to Plaintiff and all similarly situated current and former City of Philadelphia K9 officers.

6. At all relevant times, Defendant's violations of the FLSA, PMWA, WPCL and Pennsylvania common law were willful.

JURISDICTION AND VENUE

7. Jurisdiction over Plaintiff's FLSA claims is proper under 29 U.S.C. § 216(b) and 28 U.S.C. § 1331.
8. Supplemental Jurisdiction over Plaintiffs' PMWA and WPCL claims is proper under 28 U.S.C. § 1367 because they arise out of the same nucleus of operative facts as Plaintiff's FLSA claims.
9. Venue in this Court is proper under 28 U.S.C. § 1391(b) because a substantial part of the acts or omissions giving rise to the claims alleged herein occurred within this judicial district, and Defendant is subject to personal jurisdiction in this district.
10. This Court is empowered to issue a declaratory judgment pursuant to 28 U.S.C. §§ 2201 and 2202.

PARTIES

11. Officer O'Reilly is an adult individual residing in the Commonwealth of Pennsylvania.
12. At all relevant times, Officer O'Reilly and his similarly situated colleagues were and have continued to be employees of Defendant and entitled to the protections of the FLSA, PMWA and WPCL.
13. Pursuant to Section 216(b) of the FLSA, Plaintiff has consented in writing to be a plaintiff in this action. Plaintiff's executed Consent to Sue form is attached hereto as Exhibit "A".
14. Defendant City of Philadelphia ("Defendant") is a municipality of the Commonwealth of Pennsylvania. Defendant owns, operates, manages, directs and controls the Philadelphia Police Department ("the PPD"), whose agents, servants and employees at all relevant times

were acting within the course and scope of their employment under color of state law and operating pursuant to official policies, customs or practices of Defendant and the PPD.

15. Defendant, through the PPD employs approximately 30 K9 officers, and several others have recently retired.

16. At all relevant times, Defendant has been an employer covered by the FLSA, PMWA and WPCL and were required to comply with the wage and hour mandates therein.

17. At all relevant times, Defendant acted or failed to act through their agents, servants and/or employees, each of whom was acting at all relevant times within the course and scope of their employment for Defendant.

18. Defendant systematically and willfully denied its K9 officers overtime compensation wages due and owing under the FLSA, PMWA and WPCL.

FLSA COLLECTIVE ACTION ALLEGATIONS

19. Pursuant to 29 U.S.C. § 216(b) of the FLSA, Plaintiff brings this action individually and on behalf of all other similarly situated persons presently or formerly employed by Defendant as K9 officers performing similar responsibilities for Defendant at any time during the past three (3) years who were denied overtime compensation for hours worked caring for their K9 Partners (the members of the putative class are hereinafter referred to as “Collective Class Plaintiffs”).

20. Plaintiff estimates that there are several other similarly situated Collective Class Plaintiffs who are working or worked for Defendant and are or were unlawfully denied overtime compensation at 1.5 times their “regular rate” of pay for hours worked caring for their K9 Partners at home. The precise number of employees can be easily ascertained by Defendant. These employees can be identified and located using Defendants’ payroll and

personnel records. Potential Collective Class Plaintiffs may be informed of the pendency of this Collective Action by direct mail and/or publication.

21. Pursuant to 29 U.S.C. § 216(b), this action is properly maintained as a collective action because all the class members are similarly situated. Plaintiffs and other similarly situated employees were similarly denied overtime compensation for hours worked in caring for their K9 Partners, had the same or substantially similar job classifications and duties, and were subject to the same uniform policies, business practices, payroll practices, and operating procedures. Further, Defendant's willful policies and practices, which are discussed more fully below, whereby Defendant failed to pay Plaintiffs and Collective Class Plaintiffs overtime compensation for hours spent caring for their K9 Partners, have affected Plaintiff and Collective Class Plaintiffs in the same fashion.
22. In violation of the FLSA, Defendant failed to pay Plaintiff and Collective Class Plaintiffs overtime compensation for hours worked caring for their K9 Partners.
23. In violation of the FLSA, Defendant also failed to rectify the issue when Plaintiff and Collective Class Plaintiffs complained about the matter internally, filed grievances or pointed to their similarly situated peers who were being compensated appropriately for caring for their K9 Partners.
24. Specifically, Defendant, through the Sheriff's Department, employs approximately four additional K9 officers.
25. Defendant's K9 officers who work for the Sheriff's department have similar duties and work very similar straight and overtime hours as Plaintiff and Collective Class Plaintiffs.
26. The duties the K9 officers in the Defendant's Sheriff's department perform caring for their K9 Partners at home is essentially identical to the work performed by Plaintiff and

Collective Class Plaintiffs- including but not limited to: walking, exercising, feeding, training, grooming, coordinating veterinary care, ensuring the home and property are secure for the K9 Partner and that the K9 Partner cannot escape, among other tasks and duties.

27. Plaintiff and Collective Class Plaintiffs have pointed to their colleagues in the Sheriff's department, identifying that Defendant pays those K9 officers two hours of overtime per day for the same work that Plaintiff and Collective Class Plaintiffs perform, but still, Defendant has refused to pay Plaintiff and Collective Class Plaintiffs any overtime for the at home care of their K9 Partners.

28. Upon information and belief, the K9 officers working for the Sheriff's Department receive approximately two hours of overtime pay, per day, for caring for their K9 Partners at home.

29. K9 officers working for the Sheriff's Department are employed and compensated by Defendant.

30. Defendant, through the PPD, also employs an additional 11 K9 Officers at the Philadelphia Airport.

31. The K9 officers employed at Philadelphia Airport also perform essentially identical work as Officer O'Reilly and Collective Class Plaintiffs including but not limited to: walking, exercising, feeding, training, grooming, coordinating veterinary care, ensuring the home and property are secure for the K9 Partner and that the K9 Partner cannot escape, among other tasks and duties.

32. Upon information and belief, the K9 officers at the airport also receive two hours of overtime pay per day for caring for their K9 Partners at home, but a portion of their wages are paid for by the Transportation Security Administration.

33. In violation of the provisions of the FLSA, despite Defendant being aware that Plaintiffs and Collective Class Plaintiffs were entitled to overtime pay for caring for their K9 Partners, Defendant intentionally and willfully failed to provide overtime compensation to its 29 active K9 officers.
34. Defendant continues to deny Plaintiff and Collective Class Plaintiffs any overtime compensation for the care and treatment of their K9 Partners.
35. Due to multiple union grievances and the fact that the Defendant pays the Sheriff's Department K9 officers two hours of overtime pay per day for the at home care of their K9 Partners, it is clear that Defendant's conduct in failing to properly compensate Plaintiffs and their similarly situated peers is and has been willful.
36. Plaintiff will request the Court to authorize notice to all current and former similarly situated employees employed by Defendant, informing them of the pendency of this action and their right to "opt in" to this lawsuit pursuant to 29 U.S.C. § 216(b) for the purpose of seeking unpaid wages, overtime compensation, liquidated damages, attorneys' fees, and all other relief available under the FLSA.

CLASS ACTION ALLEGATIONS

37. Plaintiff brings this action individually and on behalf of the following state-wide class of similarly situated individuals, pursuant to Rule 23 of the Federal Rules of Civil Procedure:

All persons presently or formerly employed by Defendant who worked for Defendant as a PPD K9 officer during the last three (3) years who were denied overtime compensation for hours worked caring for their K9 Partners at home (the members of the putative class are hereinafter referred to as "Pennsylvania Class Plaintiffs").

38. The members of the class are so numerous that joinder of all members is impractical.

Pennsylvania Class Plaintiffs may be informed of the pendency of this class action by direct mail.

39. Pursuant to Federal Rule of Civil Procedure 23(a)(2), there are questions of law and fact common to the Class, including but not limited to:

- a. Whether Plaintiffs and the Pennsylvania Class Plaintiffs were improperly denied overtime compensation;
- b. Whether Plaintiffs and the Pennsylvania Class Plaintiffs are entitled to overtime compensation for the care, training, feeding, veterinary, ect. provided to their K9 Partners at home, on their own time;
- c. Whether Plaintiffs and Pennsylvania Class Plaintiffs have suffered and are entitled to damages, and if so, in what amount;
- d. Whether Defendants failed to pay Plaintiffs and the Pennsylvania Class Plaintiffs overtime wages in the period when said wages became due and owing in violation of the PMWA, WPCL and Pennsylvania common law; and
- e. Whether Plaintiffs and the Pennsylvania Class Plaintiffs are entitled to liquated damages.

40. Plaintiff's claims are typical of the claims of the Pennsylvania Class Plaintiffs. Plaintiffs worked for Defendant as hourly, non-exempt K9 officers and has suffered similar injuries as those suffered by the Pennsylvania Class Plaintiffs as a result of Defendants' failure to pay overtime compensation. Defendants' conduct of violating the PMWA, WPCL and Pennsylvania common law has affected Plaintiffs and the Pennsylvania Class Plaintiffs in the exact same way.

41. Plaintiff will fairly and adequately represent and protect the interest of the Pennsylvania Class Plaintiffs. Plaintiffs are similarly situated to the Pennsylvania Class Plaintiffs and have no conflicts with the members of the Pennsylvania Class Plaintiffs.

42. Plaintiff is committed to pursuing this action and have retained competent counsel.

43. Pursuant to Rules 23(b)(1), (b)(2), and/or (b)(3) of the Federal Rules of Civil Procedure,

Plaintiff's Pennsylvania state law claims are properly maintained as a class action because:

- a. The prosecution of separate actions by or against individual members of the Pennsylvania Class Plaintiffs would create a risk of inconsistent or varying adjudication with respect to individual members of the Pennsylvania Class Plaintiffs that would establish incompatible standards of conduct for Defendant;
- b. Defendant, by failing to pay minimum wages and/or overtime compensation when they became due and owing in violation of the PMWA, WPCL and Pennsylvania common law, has acted or refused to act on grounds generally applicable to the Pennsylvania Class Plaintiffs, thereby making the requested relief appropriate with respect to the Pennsylvania Class Plaintiffs as a whole; and
- c. The common questions of law and fact set forth above applicable to the Pennsylvania Class Plaintiffs predominate over any questions affecting only individual members and a class action is superior to other available methods for the fair and efficient adjudication of this case, especially with respect to considerations of consistency, economy, efficiency, fairness and equity, as compared to other available methods for the fair and efficient adjudication of this controversy.

44. A class action is also superior to other available means for the fair and efficient adjudication of this controversy because individual joinder of the parties is impractical. Class action treatment will allow a large number of similarly situated persons to prosecute their common claims in a single forum simultaneously, efficiently, and without the unnecessary duplication of effort and expense if these claims were brought individually. Additionally, the expenses and burden of individual litigation would make it difficult for the Pennsylvania Class Plaintiffs to bring individual claims. The presentation of separate actions by individual Pennsylvania Class Plaintiffs could create a risk of inconsistent and varying adjudications, establish incompatible standards of conduct for Defendants, and/or substantially impair or impede the ability of each member of the Pennsylvania Class Plaintiff to protect his or her interests.

FACTUAL BACKGROUND

45. Plaintiff repeats every allegation made in the above paragraphs of this complaint.
46. Collective Class Plaintiffs and Pennsylvania Class Plaintiffs are hereinafter collectively referred to as “Class Plaintiffs.”
47. Class Plaintiffs were hired by Defendant as police offers and were ultimately assigned to the K9 Unit.
48. Class Plaintiffs are expected to live with their K9 Partners and provide care for them outside of work hours.
49. K9 Partners are not pets. They are working dogs and come with their own set of safety hazards and requirements. K9 Partners are highly trained, highly intelligent dogs who are trained to bite or otherwise subdue suspects on command, requiring additional care and precautions than other dogs who may be kept as pets. Care for K9 Partners includes, but is not limited to, walking and exercising the dogs multiple times on a daily basis, feeding, grooming, training, coordinating veterinary care, ensuring that the dogs interact safely with all other residents of the home human or animal, securing the home and ensuring it remains secure so the dog cannot get out, and other responsibilities.
50. Class Plaintiffs are expected to engage in these responsibilities every day of the week, before and after their scheduled shift and on scheduled days off as the care, health and safety of the K9 Partner is the K9 officer’s responsibility.
51. To demonstrate the amount of overtime owed to Class Plaintiffs, as well as why Plaintiffs are appropriate class and collective representatives and that the claims are best brought as class/collective claims, Plaintiffs hereby submit summaries of a sample week of off the clock work:

52. Plaintiff Joseph O'Reilly has two K9 Partners. He works alternating shifts and has two days off per week. A typical week of off the clock work for Plaintiff Joseph O'Reilly would include:

After his shift they are let out and the yard cleaned one more time taking 30 minutes. On days that Plaintiff Joseph O'Reilly works the morning shift the same tasks are performed, but in the opposite order to keep the K9 Partners on schedule. **This is approximately two hours and 20 minutes of off the clock work for each of the above-listed days for which Plaintiff Joseph O'Reilly is not compensated.**
